Dear Ali:

We would like to thank you for your service as a member of the *TESOL Quarterly* editorial board. As you know, in assembling the *TQ* board, we strive to cover the breadth of topics for which we receive submissions. Much thought goes into making sure that we include experts from a range of areas, so we wish to thank you for the expertise that you have provided to us not only as a reviewer, but also by weighing in on special issue proposals. As a reminder, since your term as a board member ends in March, you do not need to attend the board meeting in April.

We sincerely appreciate your commitment, as your efforts have played an integral role in the journal's continued success. We hope that you will continue supporting *TQ* by promoting the journal among colleagues and students and by (occasionally, we promise) continuing to review for the journal.
